

13TH ANNUAL

JOHNSON VALLEY Oktoberfest

BEER GARDEN MENU

SATURDAY OCTOBER 14TH

5 CRAFT BEERS & A HARD CIDER

Märzen Oktoberfest Our annual offering that is the traditional fall Oktoberfest celebration beer. We change it slightly each year. For the 13th annual JVIA Oktoberfest we added lightly roasted malts for increased toasted bread flavor and amber color. Our Märzen always sells out so get one early.

German Pils

Light body, gold color, and prominent floral hoppiness. Easy drinking and perfect with brats and pretzels. Ein Prosit!

Orange Weissbier A traditional wheat ale with orange peel added during fermentation. Easy drinking and perfect for those who do not like hoppy beers.

Helles Light Lager Lighter and less hoppy than Pils, this German lager boasts its maltiness; reminiscent of the German-inspired American lagers like Coors and Miller.

Rauchbier Amber colored malty lager brewed with barley smoked over beechwood logs and imported from Bamberg Germany - the city that makes this style famous.

Fall Spiced Hard Apple Cider

Back again! Pure pressed unfiltered apple cider fermented with cinnamon, ginger, cloves, nutmeg, and a splash of vanilla. For the non-beer drinkers.
